

ABOUT ME

I am a motivated junior pursuing a double major in Finance and Business administration with a strong interest in financial analysis, investment strategy, and corporate management. As a student-athlete on my university's soccer team, I have developed excellent time management, teamwork, and leadership skills that I bring to both academic and professional settings. I am eager to apply my skills and commitment to continuous learning in an internship or entry-level opportunity that will help me build a foundation in the finance industry.

CARTER RICHARDSON

WORK EXPERIENCE

Landscaping laborer

Laceleaf Landscaping, 2025-2026

- As a landscaping laborer, I developed strong teamwork, time management, and problem-solving skills while completing projects efficiently and maintaining high-quality standards. The role strengthened my reliability, attention to detail, and ability to adapt to changing conditions.

Animal Welfare Auditor

Kalmbach Feeds, 2024

- Conducted on-site audits of commercial egg-laying and poultry operations to ensure compliance with humane handling, housing, and care standards. Evaluated animal welfare practices, facility conditions, and employee procedures against certification and regulatory requirements.

SKILLS

- Certified in Excel and Bloomberg software
- AI software
